

# Parkview Performing Arts Theater Guild

The Parkview Theater needs your support. The mission of PPATG is to promote awareness and quality in the performing arts at Parkview. Your financial contribution allows the theater department to explore new and previously unfunded endeavors. Most importantly, this annual membership supports the theater department's efforts to provide superior opportunities for students to grow and learn in an environment of uncompromised artistic and academic freedom with integrity. The PPATG also awards scholarships to three graduating seniors.

The PPATG not only needs your financial help but any volunteer help you can offer as well. **Volunteering is not required** as a member but is greatly appreciated by anyone willing to help. Volunteer involvement in the past has included assisting with rehearsal dinners, selling flowers and concessions during the shows, helping with the fundraising concession and assisting with the Awards Banquet. We urge you to join!

**Make checks payable to PPATG.** Please fill out the form below and mail to:
